Report of the Secretary-General

1. At its forty-eighth session the Commission on Human Rights adopted resolution 1992/4, entitled "Situation in occupied Palestine". By this resolution, the Commission, inter alia, called upon Israel to comply with its obligations under the Charter of the United Nations and the principles of international law and to withdraw from the Palestinian and other Arab territories which it had occupied since 1967 by military force, including Jerusalem, in accordance with the relevant United Nations resolutions. It requested the Secretary-General to transmit the resolution to the Government of Israel and to all other Governments, to distribute it on the widest possible scale and to make available to the Commission on Human Rights, prior to the convening of its forty-ninth session, all information pertaining to the implementation of the resolution.

2. In accordance with these requests, the Secretary-General on 30 October 1992 addressed a note verbale to the Vice Premier and Minister for Foreign Affairs of Israel and to all other Governments requesting information pertaining to the implementation of the resolution by the Government of Israel.

3. No reply from Israel had been received at the time of the preparation of the present report.
